

Internship Program at RAK International Airport

At Ras Al Khaimah International Airport we are committed to educating and nurturing the new working generation. Our internship programme aims to give Emirati students and graduates the best learning experience as they expand their knowledge in a working environment. Internships can play a crucial role in graduate student professional development. They provide valuable experience for graduate students and can be beneficial in multiple ways. An internship offers an opportunity to gain relevant experience, and to get a realistic perspective on what it is like to work within a given field.

Our internship programme is open to UAE citizens. We encourage them to apply to the below:

Student Internship program

- Student's internships are a three to six months training term for gaining basic knowledge and experience in the subjects of their education. The internship can be a part of a university requirement for completion of graduation.

Conditions for applying Student Internship :

- Request letter from the University.
- Must be enrolled in a college/ University program.
- Applicants should have a minimum Grand Point Average (GPA) of 3.00 GPA from an accredited higher education institute in the UAE. They must be able to commit to the full internship period.

Graduate Internship program

- Graduate internship programs can range from six months to one year duration, full time, unpaid/paid on the job training programs to gain comprehensive exposure to airport and aviation industry. We are looking for graduates to join us in various departments such as IT, Procurement, Finance, HR, Electronics, Projects and Engineering, Electromechanical, Commercial, Ground Handling, Operations, Safety, Security, Quality & Cargo. The aim of the initiative is to groom trainees by providing on the job training to gain practical skills they require for future careers.

The eligibility criteria for this programme is as below :

- Age group between 18-30
- Certificate, Diploma or Degree holder from an accredited university/college.
- Fluency in verbal and written English
- Who are willing to learn and who can adapt to new working situations.

Performance Evaluation

The Intern's performance is monitored throughout the internship programs by the section managers through written reports and presentation, ability to perform as an individual and a team member. At the completion of the internship period, the Intern will be evaluated by the section managers/supervisors and HR. Interns with high competence and outstanding performance will be considered for placement opportunities with RAK Airport.

Interested applicants are requested to send their CV's to careers@rakairport.com with email subject "Internship application".
